Histórico Bairro da Bica ***Historical Bica neighborhood***

Construída em 1675, a Bica dos Olhos, monumento arquitectónico de inspiração barroca, integrava o terreno e os edifícios que, à data da sua construção, pertenciam a Duarte Belo, um armador e negociante da Lisboa quinhentista. Localizado no centro histórico de Lisboa, numa zona ribeirinha muito bem servida de transportes e de grande vitalidade urbana, tem na sua envolvente um rico e próximo comércio local e, a escassos minutos, o cosmopolita Chiado.

Built in 1675, Bica dos Olhos (the eyes' fountain), is a baroque-style inspired architectural monument which integrated the plot of land and buildings that, by the time it was built, belonged to Duarte Belo, a ship-owner and merchant from the beginning of the 16th century, in Lisbon. Located in the historic centre of Lisbon, in an area well served by transportation and a great urban vibe, it is surrounded by a diverse and traditional retail atmosphere and, only a few minutes away, from the cosmopolitan Chiado.
